

Please install as follows...

- All sites -

Step 1 Open the **A->Fonts** folder and copy its two fonts onto any fonts folder.

- Power Mac sites -

Step 2 Double-Click to open the **PowerMac** icon

Step 3 Read the **Getting Started** document, and continue at step 3.

- Intel Mac sites -

Step 2 Double-Click to open the **Intel Mac** icon

Step 3 Read the **Getting Started** document, and continue at step 3.

- All sites -

You may now eject **ThePractitioner** DVD.

Knowledgeable sites may wish to create an alias of **TheP** application, and deploy that at some convenient location.

Triple-E Nominees Int'l.
